

Privacy statement

Revision information

Revision nr.	2
Revision date	10-12-2024
Revised by	Jels Strik

1. Context - As of May 25th 2018 all member states of the European Union have implemented data privacy laws across Europe. This General Data Protection Regulation (GDPR) impacts Connecto in such a way that we needed to compose this "privacy statement". Users of our website need to agree to the terms stipulated in this agreement. Connecto, located Laan de Wijze 23, 5835 DS Boxmeer, is responsible for maintaining personal data as described in this privacy statement.

2. Consent - Processing personal data is generally prohibited, unless it is expressly allowed by law, or the data subject has consented to the processing. Although consent is one of the more well-known legal bases for processing personal data, it is only one of six bases mentioned in the General Data Protection Regulation (GDPR). The others are: contract, legal obligations, vital interests of the data subject, public interest and legitimate interest.

3. Personal data - Connecto uses the personal data you provide only to facilitate our business relationship, which includes:

- Handling your payment;
- To be able to call or e-mail you if this is necessary to be able to perform our services;
- Inform you about changes to our services and products;
- To be able to deliver products and services to you;
- To maintain relations;
- If Connecto is legally obliged to do so, such as providing data needed for tax return.

4. Storage period – Connecto stores your personal data no longer than required for maintaining the business relationship, but in any case no longer than 15 years.

5. Sharing with third parties - Connecto does not sell your personal data to third parties, or share your personal data to anyone unless there is a legal obligation to do so. For third parties requiring your data to conduct business with us, we sign a contract to secure your personal data in the same way that Connecto guarantees your privacy. Final responsibility rests with Connecto.

6. Cookies or other Storage techniques - This website only uses functional cookies. These cookies are essential for the proper functioning of the website and to ensure a user-friendly experience. They may remember your preferences during your visit but do not track your online behavior or store

unnecessary personal data. No analytical, tracking, or advertising cookies are used on this site. If desired, you can adjust your browser settings to limit or prevent the placement of cookies.

7. Data management or removal - As user you are permitted to change and/or delete all of your personal data stored on our servers. You can also revoke your permission to use your personal data by Contecto by sending a message with a copy of your ID card or passport along with the request. Your request will be handled within four weeks of receipt.

8. Security - Contecto will do everything in its power to secure your personal data and will take all necessary precautions to prevent misuse, loss, unauthorized access, or alteration.
